AOB

1. The 2018 AGM did not take place on the 31st Jan 2019 as only 5 members turned up for the meeting (a further two arrived later but after the decision to postpone the AGM to the next Branch Meeting date), the weather forecast was abysmal that day and high winds and torrential rain forecast may have put many members from attending.
2. Chairman has requested members to advertise using social media our events and our request for donations of prizes and auction items and also for members to pay their £10 subscription fee
3. The sum allocated for the BBQ raffle is £250

Proposals: None
